

# The European Property Awards 2019-2020

# Entering the European Awards

The European Property Awards identify the highest levels of achievement in real estate, development, architecture, interior design and marketing in both the residential and commercial sectors, focusing on services, sustainability, high living standards, ergonomics, originality and creativity.

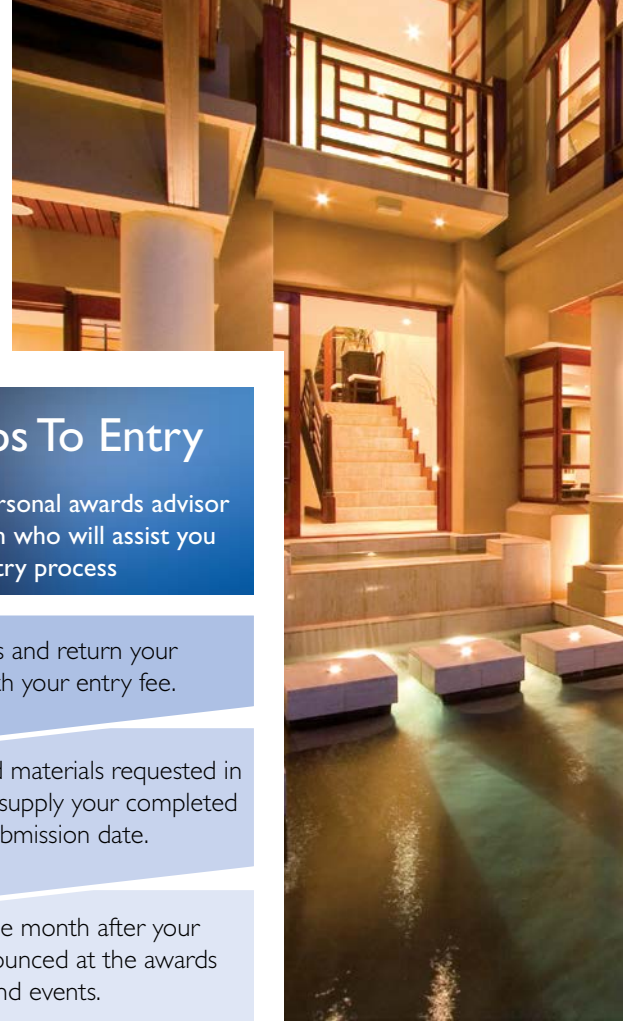

## 3 Simple Steps To Entry

You will be allocated a personal awards advisor on receipt of registration who will assist you through the entry process

Select your categories and return your registration forms with your entry fee.

Provide the information and materials requested in the entry/criteria pack and supply your completed portfolio by the submission date.

Judging takes place in the month after your deadline. Results are announced at the awards gala dinners and events.

The European Property Awards is part of the global International Property Awards. The top winners in the European region will automatically go on to compete against winners from the rest of the world.

**1** Companies begin by entering their chosen categories at **country** level.

**2** Winning companies receive awards for their category and country. One top winner for each category will also receive a **Five Star Best in Country** award.

Up to three of the top winners in each category will be nominated for the regional **Best Europe** awards.

**3** Winners are invited to attend the prestigious **European Property Show and Gala Dinner**.

Here, winners at country and nominees at **regional** level will be announced at a glittering ceremony.

**4** At the end of the year, **International**

**Nominees** from each area across the world are once more judged to discover the overall **Best Regional** and **International** winners.

These **World's Best** winners are presented at an overall **International Property Awards** event, bringing together winners spanning the entire globe.
